Subject: updating OPEB Trust members and alternates

Hello all,
I am writing because I am working on updating the documents at the OPEB Trust website and realized that a number of people have moved or left in the last year.

Please review this grid below for your entity, and let me know if changes need to be made to the trustee and/or alternate. If you are making a change, it will need to be a formal notification of appointment from your governing body in writing, for the Trust's records. If there are no changes, please confirm that via email, so I know it has been reviewed.
I will take care of updating the value and weighted vote percentage.
Many thanks.
Kathy
