Hi Tim & Dilly,

Great seeing you both yesterday.

I am writing confirm that Vineyard Power will be able to present to the Chilmark BOS on Tuesday, August 24, the following items:

- Inform the town of Community Benefits from Vineyard Wind to Martha's Vineyard
 - Including investment in working waterfront of Tisbury to create an offshore wind technology hub.
 - Workforce development – including technicians, mariners, protected species observers, drone technology.
 - Energy Resiliency and Environmental Justice projects for towns, non-profits
- Release of Vineyard Wind Notice of Intent
- Request a Letter of support for Vineyard Wind to supply clean electricity to Commonwealth of Massachusetts.

I'll be sure to get you these items by 8/10 as you requested.

Best,

Erik
