*Re: Complete Neighborhoods Initiative*

Dear Ms. Silber,

The Select Board of West Tisbury are very interested in hearing more about Mass Housing Partnership's "Complete Neighborhoods Initiative". We would like the MVC to set up a virtual presentation on this subject to allow us to hear more about the program and how it will benefit the town's goals for the creation of attainable housing.

Please let us know when the presentation has been scheduled.

Thank you,

  
Jennifer Rand  
Town Administrator
