Hi Tim,

Please advise the Select Board that I would be interested in appointment as an alternate member of the Zoning Board of Appeals.

For those who don't already know me:

I grew up in town and attended the Chilmark school back in the early 90's. My son (5) is a kindergartener at Chilmark and daughter (3) will likely be there too, when she is old enough. I am a caretaker by trade and most of my properties are in Chilmark.

Thanks for your consideration,

John Demers
