

**Vineyard Sustainable Energy Committee Meeting**

**Thursday, January 18, 2024**

**5 - 6:30 PM**

**Howes House, West Tisbury**

**Agenda**

1. Next steps on emissions from new buildings. Adopt Specialized Code? Endorse FFF bill?
2. Report by Rob and Richard on County's position on electrifying SSA ferries.
3. Discussion of strategy on governance of the Cape Light Compact -- including reports and island town board positions.
4. Quarterly energy efficiency reports to the Towns from Cape Light Compact -- forwarded to Energy Committees? How to use them.
5. Advocating for the towns to establish full or part-time positions for Energy Transition Managers.
6. Town updates and convener schedule.
7. New Business
