Bill Eddy and Phil Wallis (PDF via e-mail)

SUBJECT: Enforcement Order and Violations at 0 Eddy Farm Road (AP 25-7.15)

Dear Mr. Eddy & Mr. Wallis:

As you are aware, recently there were several violations of the Commonwealth's Wetlands Protection Act (WPA, *MGL 310 CMR 10.00*) and Chilmark Wetlands Protection Bylaw on the VOLF property that is maintained by the Eddy Farm Road Road Association.

The Chilmark Conservation Commission voted at their April 5th meeting, to issue an Enforcement Order regarding these violations. Per the Order, you will need to clean up the brush currently on site and file a Notice of Intent by June 2022. The Notice of Intent will serve to provide the proper permitting to allow for the ongoing maintenance which takes place within the buffer zone of a pond and established wetlands. The Notice of Intent and accompanying plan shall include the following:

- Plan to show: utility poles & guy wires, sideline of road, wetlands, edge of vegetation and define the turnoffs
- Plan shall also show the proposed areas of maintenance and mowing, including but not limited to the turnoffs, around utility poles, the electric ROW along the eastern edge of the property, any other areas that you wish to mow and maintain regularly.

Thank you for your attention to this matter. If you have any questions regarding this correspondence or the Enforcement Orders, please contact the Chilmark Conservation Agent, Kara Shemeth ([kshemeth@chilmarkma.gov](mailto:kshemeth@chilmarkma.gov)).

Sincerely,

Christopher Murphy  
Chair, Chilmark Conservation Commission
