Re: Finnerty – Tea Lane & Blueberry Ridge Lane, Chilmark Assessor Parcels 8-26 & 8-65-2
VLS&E Job No. 1816

Dear Commission Members,

Enclosed please find a site plan our office has prepared for Charlie Finnerty at the above referenced property. We would like to schedule an informal discussion regarding this plan with your board. Mr. Finnerty would like to grant this lot to his daughter and son-in-law which would allow them to build a house. There are wetlands adjacent to the house site and access to the lot, therefore we would like to discuss the feasibility of permitting for this lot prior to going into full design and permit plans. If we could discuss at your next available meeting that would be great.

Please call or email with any questions or if you need additional information.

Sincerely,

Reid G. Silva, PE/PLS
Professional Engineer
Professional Land Surveyor
