Chilmark Conservation Commission
P.O. Box 119
Chilmark, MA 02535

RE: #458 North Road, AP 26-55
VLS&E Job 1529-1

Dear Commissioners,

As part of the recent NOI on the above property, the commission required the applicant to return with drainage plan around and under the existing deck. I visited the property today and have provided a sketch plan to address the drainage concerns. Please let me know if there are any questions or if you need additional information.

Sincerely,

Reid G. Silva, PE PLS
Professional Engineer
Professional Land Surveyor
