CIP-1&2 Info Sheet

CIP 1-

Project Title: Purchase of Ford F-150 Lightning Police Vehicle (All electric)

Estimated Project Cost: \$75,000

FY25 Request-\$75,000

CIP 2-

Project description- I am requesting funds to purchase a new Ford F-150 Lightning Police Vehicle to replace the 2014 Ford Explorer with over 90,000 miles. The purchase will further the town's goals of transitioning to renewable energy by replacing an older inefficient fossil fuel burning 2014 vehicle with new 2024 all electric one. The vehicle would be able to utilize the new DC Fast Charger (level 3 charger) being installed by the Chilmark School, this will also translate into significant savings in gasoline purchases. The new vehicle will be a safer replacement to the 2014 with many safety upgrades. The 2014 vehicle is starting to show it's age and will need significant repairs in the near future.
