RE: NOTIFICATION OF WETLANDS PROTECTION ACT FILE NUMBER

The Department of Environmental Protection has received a Notice of Intent filed in accordance with the Wetlands Protection Act (M.G.L. c. 131, §40):

Applicant	C/O VINEYARD LAND SURVEYING & ENGINEERING	Owner Address
Address	PO BOX 421, WEST TISBURY MA	
Locus	18 GREENHOUSE LANE , CHILMARK MA	

This project has been assigned the following file # : **SE 012-0885**

ISSUANCE OF A FILE NUMBER INDICATES ONLY COMPLETENESS OF SUBMITTAL, NOT APPROVAL OF APPLICATION

Although a file # is being issued, please note the following:

The Department recommends that the commission consider the need to include a monitoring plan in any Order of Conditions to document the change in beach elevation in front of the envelopes and also bank erosion adjacent to the envelopes. The plan could include requirements for adding sediment (nourishment) when the beach erodes to a specific elevation.

Regards,
for MassDEP,
