RE: 10 Cygnet Way
Map 1, Lot 24-33-2
Map 1, Lot 24-34-2

Dear Ms. Shemeth,

We are respectfully requesting to begin the process of phragmite mitigation at the Holt property, located at 10 Cygnet Way. The area of concern is located by the kayak launch area and surrounding area. We would like to hand cut back the stand of phragmite in the time period between late summer and the killing frost. All plant debris will be moved from the site. Annual mitigation is requested with monitoring and evaluation.

Thanks you for your consideration,

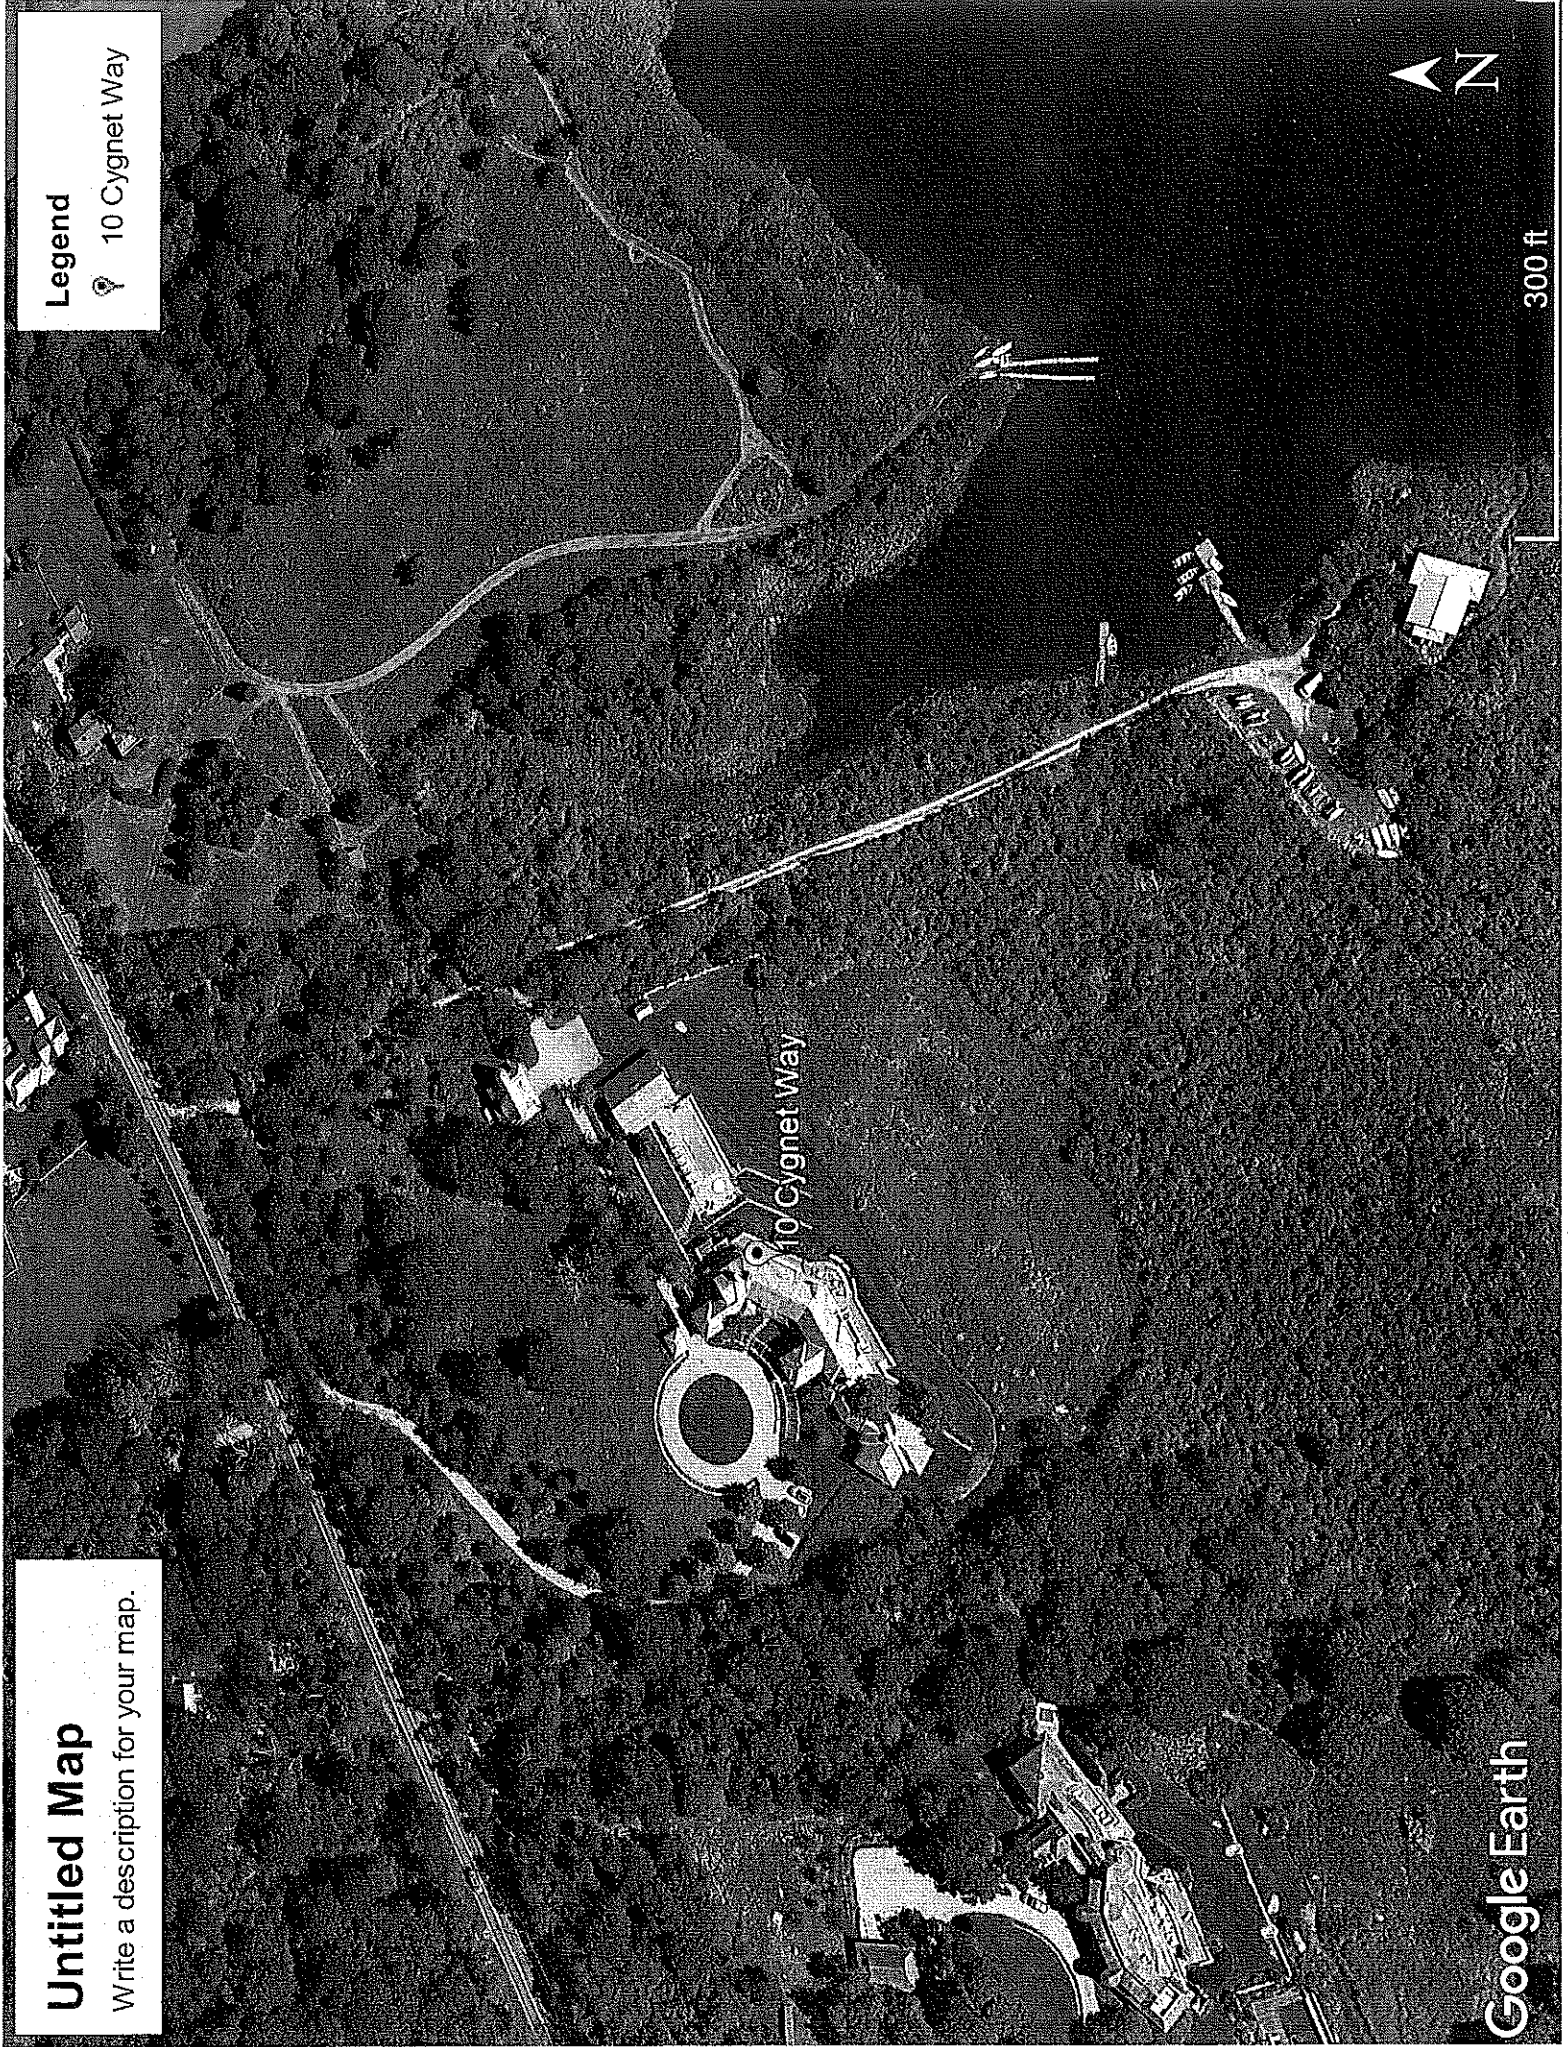

Michael Donaroma
