RE: The Yard, #1, 6, & 7 The Yard, (Assr. Pcl. 26-91, 92, 95) (VLSE Job #1573).

Dear Members

Enclosed please find three (3) copies of a revised septic design plan prepared for The Yard at the above referenced property. The revisions to the original plan dated January 8, 2018 include the following:

1. Reconfigured Waterlines
2. Vent & Blower Vault
3. Water Filtration System Backwash Note.

If you have any questions or comments regarding this matter, please feel free to give me a call.

Sincerely,

A handwritten signature in black ink, appearing to read 'Cody Coutinho'.
