Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent

- ARTICLE 4. This is our annual contribution to a maintenance and upgrade account for the Community Center that is jointly funded by the Chilmark Town Affairs Council in lieu of rent for the summer program. Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent
- **ARTICLE 5.** This is a \$40,000 Reserve Fund that is controlled by the FINCOM to pay for emergency or unanticipated expenses during the fiscal year. It is created each April at ATM for the ensuing budget cycle starting July 1st.

Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent

ARTICLE 6. This would continue funding the liability carried on our books for the paid sick time and vacation for benefitted employees. Doing this supports our AAA bond rating.

Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent

ARTICLE 7. This is our annual contribution to the Town's general savings account for major expenses. It has been used for capping the landfill, building projects, replacing old fire engines, and maintaining roads. Once put into the Stabilization Fund, a two-thirds vote is required to spend these funds. This is a practice that helps to stabilize the tax rate and maintain our high (AAA) bond rating.

- ARTICLE 8.This fund the installation of an emergency backup generator at the Chilmark School.Recommended by the Finance Advisory Committee 4 Ayes 2 Nays 1 Absent
- ARTICLE 9. This would allow the Up Island Regional School District to create a fund to hold future funds to defray Special Education funding spikes. Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent
- **ARTICLE 10.** This article would continue our support of the ACE MV program. Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent
- ARTICLE 11. This combines funding for Dukes County Social Services. Chilmark has funded First Stop, Healthy Aging, and CORE for a number of years, SUD and Dukes County Social Service for four years, and Homelessness has been added. Submitted by the Dukes County Commissioners
 Recommended by the Finance Advisory Committee 6 Ayes 0 Nays 1 Absent
- ARTICLE 12. This article acknowledges the cost to Dukes County to administer regionally funded programs for the island towns, and seeks to have island towns share that cost using the 50/50 formula and not the EQV. Submitted by the Dukes County Commissioners Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent
- **ARTICLE 13.** The Dukes County Sheriff operates the Island's Regional 911 center and emergency dispatch. Since its change to a state agency, the Sheriff has been seeking funding to bridge a budget gap to operate this

service. The town has refused to pay operating costs, but has agreed to a formula to share maintenance costs between the island towns. This is contingent on all six towns approval. Submitted by Dukes County Sheriff Recommended by the Finance Advisory Committee - **3 Ayes - 3 Nays** – 1 Absent

- ARTICLE 14. This would purchase a new hybrid fuel police cruiser. Stabilization articles require a 2/3rd vote. Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent
- ARTICLE 15. This unmanned aerial vehicle (UAV-drone) is intended to be operated by the Fire Department, under FAA regulations and standard operating guidelines, to assist in Search & Rescue, scouting wildfire and urban interface fires, assisting with pre-planning, training and special events. Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent
- ARTICLE 16. Our existing self-contained breathing apparatus (SCBA) is aging and in need of replacement. These units are essential life safety equipment used under hazardous conditions. They require specific training and extensive practice for "muscle memory operation" under stress. The purchase of 12 units would upgrade the fire department at one time to simplify training and improve firefighter safety. Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent
- **ARTICLE 17.** This article would replace the aging PFDs (life jackets), and purchase material in support of the water-rescue program.

Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent

- **ARTICLE 18.** This would continue the roof repairs to the old Menemsha School (police station). Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent
- ARTICLE 19. [(STM Explanation 2015) This public facility is heavily utilized by the boating, beach and general public during the spring, summer and fall. The volume of traffic makes it a challenge to keep clean and functioning without a full time staff person. The Menemsha Comfort Station was built in 1968 by Frank Welch for \$12,345.24 and was last renovated in 1997. At that time the price to build a new building was \$285,000 and it was rejected by the Town Meeting. The Selectmen undertook a major repair of the building instead for \$55,000. They cut out the bottom 3 feet of walls and replaced them with new wood, refurbished the interior spaces with plastic wall boards, ceiling, and partitions. Nothing was done to the plumbing at that time as it is set in the concrete slab. Since the renovation; all the plumbing fixtures have been replaced as they failed, alternative septic concepts have been tested on site, and a solar hot water system was installed. Public requests for more toilets, urinals, outside showers and alternative systems need to be evaluated. It is time to either renovate or replace this facility. A study will allow all the stakeholders to participate in exploring options and then for the town to pursue the most appropriate path for the next 20 years.]

In 2015 funds were appropriated and the MVC facilitated a Visioning Session that December. From that grew a Menemsha pedestrian and traffic plan from the Planning Board Master-Plan Committee. The operations of the Comfort Station have been brought under the management of the Harbor Department this year. The Harbor Master is pursuing an aggressive schedule for overdue repairs and upgrades to the Comfort Station.

- ARTICLE 20. The Menemsha Traffic Officers have been transferred to the Harbor Department this year. The Harbor Master would like to purchase an electric vehicle to assist with parking enforcement. Recommended by the Finance Advisory Committee - 3 Ayes - 3 Nays - 1 Absent
- ARTICLE 21. This article would change the elected position of Treasurer to appointed. During the recent retirement of our Treasurer, the Human Resource Board conducted an exit interview where the Treasurer recommended this change. The HRB and the Finance Advisory Committee reviewed this proposal. They also recommended this change to the Select Board. It requires both an affirmative vote here at the ATM on Article 21 AND Question 1. on the annual town ballot at the polls Wednesday. Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent
- **ARTICLE 22.** The existing highway department shed, Shellfish Department tent, Harbor Department storage, and a number of roll-off storage units are located on land at Peeked Hill Pastures. This land is needed to proceed with Affordable Community Housing, as seen in Article 25 below. These departments were planned to move to the Fire Training Grounds on Middle Line Road behind the Tabor House Road Local Drop Off. This is where a public works metal garage is being designed into front of the Fire Training Area & Fishermen's Storage Lots (previously approved by the Town Meeting).

- ARTICLE 23. This would reduce the increase to the tax rate for the fiscal year beginning July 1, 2022 by about 4 cents (per \$1,000 assessed value of Real Estate).
 - Recommended by the Finance Advisory Committee 6 Ayes 0 Nays 1 Absent
- **ARTICLE 24.** The Planning Board is looking to complete the 2015 update to the Master Plan that stalled during COVID-19 with a paid consultant.

Recommended by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent

ARTICLE 25. This asks you to set guidelines on what the Planning Board, Housing Committee, and Select Board will move ahead with at Peaked Hill Pastures for Affordable Community Housing. Your input will drive this project.

No Action Taken by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent

ARTICLE 26. To see if the Town will vote to approve the following requests of the Community Preservation Committee:

This would reallocate FY2022 funds, allocate FY2023 CPA revenues, support creating housing for: homeless female residents, autistic group living in West Tisbury, affordable Elderly Housing in Oak Bluffs, and help restore an historical structure in Oak Bluffs. These were recommended by the relevant committees and subject to a public hearing. This does not affect the tax rate as it spends the CPA Sur-Tax.

No Action Taken by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent

ARTICLE 27. This article, and a companion Ballot Question on Wednesday, are asking you to join with other island towns to establish and operate a Housing Bank for the next 30 years. It is funded by a new 2% fee imposed on transfers of real property. There are handouts on this topic.

No Action Taken by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent

ARTICLE 28. This is a statute regarding the processing of parking tickets. It will allow the Harbor Department to manage the Traffic Officers for Menemsha.

No Action Taken by the Finance Advisory Committee - 6 Ayes - 0 Nays - 1 Absent

ARTICLE 29. Essentially this would remove the 1 acre minimum size for Resident Homesites and make it clear that they are subject to the setback relief afforded to pre-existing lots. 25 feet for 1 ½ Acres or less. 35 feet for lots 1 ½ - 3 acres. Zoning changes require a 2/3rd vote.

No Action Taken by the Finance Advisory Committee - 6 Ayes - 0 Nays – 1 Absent

ARTICLE 30. This change makes swimming pools accessory to a "principal" dwelling, and adds the definition of "Tennis court includes pickle ball, platform tennis and a similar sports court." to what needs a special permit. Zoning changes require a 2/3rd vote.

In considering projects for funding, the Housing Bank shall use as guidelines town or regional master plans, wastewater plans, watershed management plans, open space plans, and climate and energy goals.

The Housing Bank may: (i) provide loans or down payment assistance to individuals who are members of households which earn up to 240% of AMI, subject to imposition of perpetual year-round occupancy restrictions (as defined by the Commission); and (ii) purchase year-round occupancy restrictions from any property owner with respect to properties located within member towns. Except as provided in the foregoing sentence, all housing units created, renovated, rehabilitated or acquired with Housing Bank funds shall be restricted in perpetuity to require occupancy by households earning up to a specified AMI not to exceed 240% of AMI, and shall be subject to perpetual maximum sale price and year-round occupancy restrictions. If a project includes income-restricted and market-rate units, any Housing Bank funding shall be applied only to income-restricted units in such project.

The Housing Bank will pay its own expenses from Housing Bank revenue. In order to expand public participation, in alignment with local diversity, equity and inclusion goals, Commissioners may be paid a stipend not to exceed \$2,000 annually, subject to approval by a two-thirds majority vote of every Town Advisory Board, unless a higher amount is both authorized by a majority vote of town meeting in every member town and approved by a two-thirds vote of every Town Advisory Board.

Limitation on Annual Debt Service: The Housing Bank may incur debt only to the extent that its projected annual debt service obligations prior to maturity with respect to any existing and any new debt will not, in the aggregate, exceed 10% of the average annual revenues received by the Housing Bank during its prior three fiscal years, commencing with the initial partial fiscal year following passage of the Act. Any issuance of bonds by the Housing Bank shall be subject to approval by two-thirds of the Town Advisory Boards and by the Commission. Each such vote of the Town Advisory Boards shall also require a two-thirds vote.

<u>Requirements for Use of Funds</u>: The Housing Bank shall address the greatest community need as determined from time to time by the Commission according to prevailing data. No less than 75% of island-wide annual funding commitments approved in each fiscal year shall be allocated to projects on properties previously developed with existing buildings, or to fund infrastructure associated with such projects. All new construction shall use no fossil fuels on site (except as needed during construction, repair, temporary use for maintenance, or vehicle use), achieve a HERS (Home Energy Rating Service) rating of zero and, to the maximum extent possible, produce no new net nitrogen pollution. All new construction on undeveloped properties of more than five acres shall preserve a minimum of 40% of the property as open space and minimize tree removal, in order to promote clustering and preserve undeveloped property. All projects shall minimize disturbances to the local ecology.

If a project that receives Housing Bank funds includes income-restricted and market-rate units, the provisions of this section shall apply to the entire project. Satisfaction of each of the provisions of this section shall be as determined by the Commission.

<u>Priorities</u>: The Housing Bank shall prioritize projects that: are close to existing services (honor "Smart Growth" principles); are not in priority habitat areas as defined by the Massachusetts Natural Heritage and Endangered Species Act; and mitigate the effects of climate change, such as projects which (i) do not involve acquisition of fossil fuel equipment and (ii) have a master plan to delineate a path to fossil-fuel free operation and net-zero annual site energy consumption.

<u>Transfer Fee</u>: The Housing Bank's activities will be funded by a two percent fee imposed on transfers of real property interests paid by the purchaser, such fee to be established either by general law or by the Housing Bank Act. An amount to be determined by the Commission annually, but not less than the first \$1,000,000.00 of the purchase price or other consideration paid with respect to any transfer of a real property interest, shall be exempt from the transfer fee. Additional exemptions shall be as set forth in any general law establishing the transfer fee or in the Housing Bank Act as amended prior to submission to the General Court.

<u>Non-member Towns</u>: No Housing Bank funds may be expended in any town which is not a member of the Housing Bank; provided, however, that the Housing Bank may expend funds in a town that withdraws to the extent such expenditures were approved before the date that such town provides notice to the Housing Bank that the member town has voted at a regular or special election to withdraw from the Housing Bank, and provided that transfer fees continue to be collected in that town.

<u>Withdrawal and Sunset</u>: Any member town may withdraw from the Housing Bank by the affirmative vote of a majority of the voters at any regular or special town election. The transfer fee shall continue to be collected in any town that votes to withdraw from the Housing Bank until satisfaction of the withdrawing town's pro rata share of all Housing Bank debt incurred prior to the date that such town provides notice to the Housing Bank that the town has voted at a regular or special election to withdraw from the Housing Bank, determined as the ratio all transfer fees collected by such town during its membership in the Housing Bank to all transfer fees collected by all member towns during the same period.

The Housing Bank Act shall expire 30 years after its passage unless extended by vote of the Commission and a majority vote of town meeting by at least four member towns; provided that, if extended, the Housing Bank Act shall remain in effect only for the towns that vote to extend. The transfer fee shall continue to be collected in any town that does not vote to extend the Housing Bank Act until satisfaction of all Housing Bank debt incurred prior to (1) the effective date of the extension of the Housing Bank Act if the Housing Bank Act is extended notwithstanding the town's vote, and (2) the expiration of the Housing Bank Act, if the Housing Bank Act is allowed to expire.

<u>Taxes</u>: All property and housing units created, renovated, rehabilitated or acquired with Housing Bank funds shall be taxed in accordance with assessed values.

The Housing Bank Act is subject to approval by the General Court, which may only make clerical or editorial changes of form to the bill unless the Select Boards of at least two thirds of the towns that approve this article vote to approve amendments to the bill before enactment by the General Court. Approval of this article authorizes the Select Board to approve amendments which shall be within the scope of the general public objectives of the Housing Bank Act. Adoption of the Housing Bank Act by any town, in the final form approved by the General Court, must be approved by the affirmative vote of a majority of the voters at any regular or special town election at which the question of acceptance has been placed on the ballot. The Housing Bank Act shall become effective on the date on which no less than four towns located on Martha's Vineyard accept its provisions as provided for in this article; or take any other action relative thereto.
