New requests will be processed in the order, which they are received. Once you have been placed on the list, you will need to renew your request by January 15th of each year. The Harbor department will send a wait list renewal form to you each year on or around November 15th. Failure to renew will result in removal from the list, and the applicant will need to re-apply and be placed at the bottom.

When you ascend to the top of the list, you will be sent a mooring permit application, and detailed instructions for our towns mooring process. You will be given one year to obtain a boat and have it registered in your name, to place on your mooring.

Please review the criteria in Section IV and V of the Chilmark Waterways Rules and Regulations, available in the Harbormaster section of the Chilmark Town website:
