Dear Town Administrator Carroll,

We are pleased to inform you that the Legislature recently approved the supplemental budget that I filed, including an additional \$20 million in Chapter 90 local transportation aid funding for Fiscal Year 2019. This represents a 10% increase over the usual funding amount.

This letter certifies that your community's Chapter 90 apportionment for Fiscal Year 2020 is **\$71,006**. This amount includes the monies previously approved in Chapter 16 of the Acts of 2019, and the new supplemental amount of **\$6,455** that I approved by signing this new legislation. The apportionment will be incorporated automatically into your existing 10-year Chapter 90 contract, which will be available on the MassDOT website: <https://www.mass.gov/chapter-90-program>

This funding represents our continued commitment to assisting cities and towns in addressing the maintenance, modernization, and resiliency of your local roads, which are a critical part of the Commonwealth's transportation network. The Chapter 90 program is an integral part of maintaining and enhancing your community's infrastructure and is an essential component of our state-local partnership. We look forward to working with you in the coming year to continue the success of this program.

As always, we encourage you to explore opportunities for additional infrastructure funding through MassDOT's Complete Streets and Municipal Small Bridge Programs (further information available at: <http://www.massdot.state.ma.us/>). For program specific questions please contact the following:

Sincerely,

Charles D. Baker
